Welcome to Crescent Del Sol - an exclusive gated enclave of only 8 luxury detached home. Built in 2012, this luxury Mediterranean-style community offers stylish, sophisticated, ocean view homes and an extraordinary location: less than 2 blocks to Tamarack Beach, steps to the Agua Hedionda Lagoon and about a mile from Carlsbad Village

Imagine a beautiful 78 degree day in April, coming back home from the office early, you have friends visiting from out of town.

You drive into the gated community, into the underground parking structure and click open the door to the extra deep 4-car tandem garage. Step into the basement parlor and hop onto the elevator and be carried away up to the entry
